## Contest Balloting Is Beyond Expectations

Officials of the Sierra Madre Chamber of Commerce were reported to be "highly pleased" with the number of ballots cast in the Courtesy Contest in which the "Clerk of the Month" will be chosen, as the event entered its second week.

"The amount of balloting is beyond our expectations. It is our hope that all shoppers will turn out to vote for the clerk or office worker giving the most efficient and pleasant service in Sierra Madre," President Don Jackson said today.

A new group of workers was spotlighted this week as City Administrator Lawrence Bevington announced that clerks at City Hall could also be added to the list of eligible candidates.

Ballot boxes have been placed in all business establishments and offices sponsoring the contest. It takes only a minute to cast your vote on the small ballot given you with the completion of each purchase or transaction.

The Chamber of Commerce emphasized the point that YOU MAY VOTE WITH EACH PURCHASE OR TRANSACTION AND THAT VOTES MAY BE CAST IN ONE PLACE OF BUSINESS FOR A CLERK OR WORKER IN ANOTHER.

The person receiving the largest number of votes by the end of business July 10 will receive the interesting array of gifts listed in this and last week's edition of the NEWS.

The following additional firms offering prizes to the winner were announced this week: Reoss Market, large basket of groceries; Safeway, box of groceries; Oati's Nursery, plant; Gifford Eastwood, four clubhouse passes to Del Mar, and Sierra Madre Tailors and Cleaners, \$5.00 cleaning order.

## Around the Square

By VERA H. LUMBARD

Anonymous "Letters to the Editor" somehow always find their way into the round file but one we received from "Anon." the other day caught our attention and set us to musing and mulling...

Well, how do YOU pronounce "Sierra Madre"??

Writer of the letter says it hurts his (or her?) ears to hear our town's beautiful name "so often grossly mispronounced" ... mostly the "Madra."

She (or he?) says that the word, being Spanish, should be pronounced like so: Ma-as in "mama" and dre with the long "a" sound as in "drey"—Madra, accent on first syllable.

Two other detestations in articulate utterances of which the writer says Sierra Madrayans often are guilty are in the pronunciations of Canon Avenue as "Cannon" instead of "can-yon" and "patio" rather than "pachtio."

How about a little campaign to pronounce these beautiful Spanish words correctly instead of the atrocious manner so often heard? he (or she?) writes.

Maggie Ascher fails to be charmed with the gifts her children bring her—the live and wriggling ones, that is. First a hoot owl, then a snake. Then the casual words of an unthinking visitor: "All you need around here now is a skunk!"

—produced, forthwith, just that. The snake was presented in haste, but with due ceremony, to the nature museum at Sierra Madre Villa County park. The skunk is waiting to be "placed." We forgot to ask what became of the owl.

At the end of a long, weary day Bob Brogger of sports column fame loped in from classes and fractured our risibility with this:

"Didja hear about the midget who slept in the chandelier? 'No? Well, you see, he's a light sleeper!' ... \* / & \$ %

## Nat'l Guard Company Here Transferred

Capt. Barr to Command Unit in Monrovia

Effective July 1, Sierra Madre's Heavy Mortar company, 223rd Infantry Regiment, 40th Division of the National Guard, will move headquarters and equipment to the Monrovia National Guard Armory in a merger with Monrovia's Heavy Mortar company of the 224th Infantry Regiment. The new unit becomes Company C, 140th Medium Tank Battalion of the 40th Armored Division.

Capt. Robert F. Barr of Sierra Madre, who has been commanding officer of the local unit, has been appointed commanding officer of the new Company C.

The merger with the Monrovia unit is brought about due to the changeover of the 40th to an armored division.

The local company was originally activated in 1947, then re-activated in May, 1952, when the company resumed from Korea. Its personnel includes three officers, a chief warrant officer and 40 enlisted men, 90 per cent of them Sierra Madrans.

The company officers include Captain Barr, 2nd Lt. Thomas J. Cox and 2nd Lt. Walter H. Biely, all of Sierra Madre, CWO Richard K. Sommerville of Duarte and non-commissioned officer M/Sgt. Lawrence R. Whittington of Monrovia.

## Dr. Robertson Leaves July 9 For SHAPE Post in France

DR. H. P. ROBERTSON (pipe in mouth, above) flies to Paris next month for year's assignment there with SHAPE.

year's leave of absence from his faculty post. He left Sierra Madre Monday night of this week for Fort Bliss, Texas, enroute to Washington, D.C., from where he will fly July 9 to Paris. He will be joined there later next month by Mrs. Robertson and their daughter, Miss Mariette Robertson who will sail from New York City July 20. Miss Robertson, a junior at UCLA, will attend the University of Paris next fall.

### Lease Home Here

The Robertsons have leased their house at 590 Auburn to the Emerson Reichard family of Sierra Madre.

The position of SHAPE scientific advisor is newly created by the North Atlantic Treaty Organization which authorized Robertson's appointment. His office is to supply scientific advice on military problems which arise in any of the divisions of Gen. Gruenther's staff.

An authority in operational research, this is Dr. Robertson's second extended tour of military duty as a civilian since World War II. From 1950 to 1952 he was on leave from Caltech to serve as research director for the Weapons Systems Evaluation Group in Washington. This agency performs studies on optimum use of weapons for the U. S. Joint Chiefs of Staff and the Research and Development Board in the Department of Defense.

## PAUL LANDWEHR'S EXPECTING NOVEL, STRINGLESS PIANO FROM GERMANY

The wandering shipping papers which came to the NEWS office last week for lack of a complete address, have been claimed by Paul Landwehr, 260 W. Carter, who read about them in last Thursday's paper.

They cover shipment of a novel, stringless, electronic piano, a "Campanella," which he ordered in September from a firm in Westphalia, Germany. Mrs. Landwehr, who plays and has been without a piano for some time—and the neighbors—are eagerly awaiting arrival within the next few days of the unusual instrument which weighs less than 200 pounds.

Landwehr saw it advertised in Foreign Commerce Weekly. He says when it arrives it will be the only one of its kind on the west coast, possibly in the United States.

He says its tone is "out of this world." He has played a tape recording for friends and professional musicians who have variously guessed the instrument to be a celeste, marimba, harp, xylophone, callophoe—a steamless callophoe, he presumes!

Landwehr thinks the Campanella ideal for small homes, looks like a miniature baby grand, costs more than a spinet, less than a regular piano.

## Lions Hear Saucer Talk, Set Installation Dinner Saturday

Lawrence T. McGinnis, president-elect, and other new officers of the Lions Club, will be formally installed Saturday night at the club's annual dinner.

Restaurant in Arcadia, Lady Lions will be guests. There will be no dinner-meeting tonight in the Woman's clubhouse, according to Harold A. Pangborn, retiring president.

Speaking on the subject of "Flying Saucers" at last week's dinner meeting were two young chaps who firmly believe in their existence, Glenn L. Passmore of Pasadena, a salesman, and Maury Bakon, Van Nuys journalist.

Claiming to have seen a flying saucer last October, over Pasadena, young Passmore, a former Marine, told his listeners that the subject is not a new one, sightings having been reported as far back as 2000 years ago.

Passmore, who professes an interest in astronomy, science and metaphysics, said he believes the saucers are solid, tangible, inter-planetary machines and those who operate them to be "real people, like ourselves." His theory is that they come from Venus, Mars, Saturn, perhaps have "evolved to a higher state of being" than earth people and are "trying to help us as we approach the danger point of complete annihilation which could endanger them, too."

"We, ourselves, are planning now to go out into space," he reasoned, "so why is it illogical to assume that peoples perhaps thousands of years in advance of us have already done so?"

"We, ourselves, are planning now to go out into space," he reasoned, "so why is it illogical to assume that peoples perhaps thousands of years in advance of us have already done so?"

## Councilmen Meeting Saturday on County Land Acquisition

An adjourned meeting of the City Council will be held at 8 a.m. Saturday in the City Hall. Action will be taken at that time regarding approval of the County Flood Control District's proposed acquisition of land in Bailey and Auburn canyons for debris basin construction this summer.

The Planning commission was to report its opinion after its regular meeting tonight. The Council also will set a date for public hearing on the Bank of Sierra Madre's request for a zoning amendment.

## Outlook Good on Increased Water Rights: Roberts

After attending a meeting Monday of the Raymond Basin Advisory Committee, Councilman Harold F. Roberts and City Administrator Lawrence Bevington report that the outlook appears favorable for an increase in allocation of Sierra Madre water rights.

Roberts told fellow councilmen that the final and complete report of the Board of Public Works Division of Water Resources was accepted by the committee and that opinions of the boards of the separate entities involved will be forthcoming within three weeks.

## Thousands Expected at Family Fiesta

Event Sunday Helps Passionist Fathers

As a home-coming reunion for thousands of Southland men, the seventh annual Family Fiesta will be held on the grounds of Mater Dolorosa Retreat House in Sierra Madre Sunday, June 27, starting at noon.

A complete prime rib roast dinner prepared by Chef Eddie Duckworth of the retreat staff will be served at only one dollar for adults, 50 cents for children.

The public is cordially invited to attend. No formal program or speeches will be presented.

Tinkertown attractions and a colorful Fiesta Midway of more than 30 booths will provide amusements for guests of all ages. Continuous music and entertainment will be featured in a garden setting in a large eucalyptus grove.

Purpose of the Family Fiesta each year is to help raise funds to reduce the retreat house debt. More than 44,000 retreatants have enjoyed "50 Golden Hours" of reflection, meditation and communion with God at Mater Dolorosa since it was established in 1926.

Prizes aggregating more than \$10,000 in value will be given away, according to Francis C. Whelan, fiesta chairman.

Autoettes will be used to convey elderly visitors up the hill to the retreat house.

## SIERRA MADRE WINS NATIONAL SAFETY AWARD

For the second consecutive year, Sierra Madre has received the National Safety Award for no traffic fatalities, Police Chief Gordon G. McMillan has announced.

The City Council directed that the chief and police department be commended.

Last traffic fatality here occurred on May 28, 1950, according to McMillan.

## RECOMMENDATIONS FOR REPAIRS AND IMPROVEMENTS TO SIERRA MADRE WATER SYSTEM

BY CITIZENS GROUP FOR WATER  
A. L. DRAEGER, Chairman

### Part I

In order to understand the recommended course of action contained in this communication, it will be helpful to briefly describe our water situation and the component parts of our water system. The most important problem to be considered is obtaining the legal right to more water than is presently adjudicated. The distribution of water is an engineering problem that is readily solvable. It is estimated our present requirement of water with 8300 population is approximately 1800 acre feet per year, and our need at the assumed peak population of 12,300 in 1975 will be 3000 acre feet per year.

We have at present two principal sources of water. The major one is the East Raymond Basin, from which we are by court adjudication entitled to use 1264 acre feet per year. We obtain this pumping from wells located at the central water plant on East Sierra Madre Blvd. The second most important source is an average of 460 acre feet per year obtained by gravity flow from tunnels located in the Little Santa Anita Canyon.

Our present requirement of water exceeds the amount we are entitled to use by 76 acre feet per year, hence the necessity to obtain the legal right to more water. This is being accomplished in the following manner:

As early as 1932, we began spreading water in the East Raymond Basin by percolating it through the ground at a series of spreading basins at the central water plant, with the result that the safe water yield of the basin has been raised, and we are entitled to expect court adjudication of a portion of the increased yield. In conjunction with the L. A. County and County funds, a tract, we constructed, with the aid of State and County funds, a 40 cu. ft. per second capacity pipeline from Santa Anita Creek to the Flood Control District's spreading grounds in Big Santa Anita Canyon, and from there a 25 cu. ft. per second pipeline to the Sierra Madre spreading grounds. Excess water is delivered to us through this pipeline, and we are entitled to spread a maximum flow of 25 cu. ft. per second. Although the present capacity of our spreading grounds is not exactly known, it is assumed to be approximately 18 cu. ft. per second, so it is apparent we must enlarge our spreading capacity in order to take advantage of the water offered to us.

## Plans for Parking District Unchanged After Hearing

DR. DAVID S. WOOD  
New City Councilman

Dr. David S. Wood, who has succeeded Paul N. Carter on the City Council, like Carter, is a member of a pioneer Sierra Madre family. The son of the H. Randolph Woods of this city, he represents the fifth generation of his family to live here, his small daughter, Alison, the sixth.

Dr. Wood's great-grandmother, Mrs. Hannah Hawkins, was among the first purchasers of property from Nathaniel C. Carter, back in 1883. Following her were Dr. Wood's great-grandfather who came in 1887 from Wisconsin, by way of San Francisco, operated a ranch and real estate business here, was an early bank director and town official.

The new councilman's grandmother, the late Mrs. Laura Stevenson, sister of Miss Daisy Hawkins who lives here now, spent her girlhood here, married and went to San Francisco where Dr. Wood's mother, the former Janet Stevenson, was born.

She has lived here most of her lifetime except when business took the family to Akron, Ohio, where David was born 34 years ago. He, too, returned here as a child, went through the Sierra Madre Elementary school and on to scholastic distinction.

He received the B.S., M.S., and Ph.D. degrees from Caltech where he now is assistant professor of mechanical engineering. He has resigned his post on the Planning Commission to serve on the council, filling out the unexpired term of ex-Mayor Henry F. Kormsmeier who resigned in March, was succeeded by appointee Carter who since has been transferred to Chicago. The term expires in April, 1956.

## ORDINANCE INTRODUCED BY COUNCIL

Over strong protests that the assessment spread "is asking too much money of too few people," the City Council Tuesday night unanimously adopted resolutions and introduced an ordinance of intention to form a Vehicle Parking District in Sierra Madre.

The ordinance will be given its second and final reading July 13 prior to its anticipated adoption. Following that, according to City Atty. T. Guy Cornyn, condemnation procedures or other measures for acquisition of the three proposed off-street parking lots will go forward immediately.

After a lengthy public hearing, Ray Lindeman of the Los Angeles law firm of O'Melveny and Meyers, counsel for the proceedings, and City Engineer L. Frederick Pack, under oath, declared the written and oral protests to be considerably short of a majority of the total area involved in the assessment district, and the council to be within its rights in over-ruling and denying them.

### Protests Recorded

Written or oral protests were recorded from the following: Russell and Maude Dumas, Helen R. Keating, Dr. Nathan Jacobs, Robert Clark, C. N. Morrison, Ted Davis, a Mrs. Renshaw of Arcadia, Mrs. Pearl Nash, E. W. Ward, Elizabeth Steinberger, and F. E. Williams.

They variously charged that the proposed parking plan is impractical, too heavy a cost for too small an area, the benefit negligible for those who already provide customer parking facilities and that creation of an east-west street above Esperanza and affording another link between S. Baldwin and Hermosa would alleviate congestion and be a more desirable alternative. It also was brought out that maintenance of the parking lots may necessitate future assessments.

Miss Steinberger, chairman of the City Planning Commission, protested that at the off-street parking lots still would not relieve the congestion caused on business streets by "beer, bread and vegetable trucks making deliveries."

### Proponents Speak Up

Strongly advocating creation of the parking district as originally petitioned in January by property owners representing more than 60 per cent of the assessed area were Sam Perloff, Tom Neale, Donald H. Jackson, Chamber of Commerce president; A. E. Morgan, parking committee chairman, Ralph Hurwit, and Councilmen Harold F. Roberts and Lorne Pratt.

Neale told the council, "If we let these lots get away from us now we'll never have such an opportunity again and in 10 years Sierra Madre will be a little side lane."

Morgan pointed out the urgency of providing ample customer parking here with the Shopping Bag market and seven other stores scheduled to open next month on the neighboring Pasadena corner just across Michillinda.

### Councilmen Speak

Roberts, in voting, said he advocated the parking plan as an owner and a renter although the district would cost him in the neighborhood of \$5000. Pratt warned against shortsightedness now which, he predicted, could make Sierra Madre "ghost town material for Mr. Knott."

The \$50,000 assessment for the district represents the legal limit of 35 per cent of the total assessed valuation, Lindeman pointed out.

## Guardsmen Awaiting Call to Army Duty

Three National Guardsmen of Sierra Madre Heavy Mortar company have passed physical examinations preparatory to transfer to the Army and are awaiting call within the next 30 days to extended active duty.

They are Cpl. Robert C. Sneed and Cpl. Donald W. Smith, both of Sierra Madre, and Cpl. Robert L. Sisson of San Gabriel, formerly of Sierra Madre.

## Rose L. Imm Rites Today

The Rev. Raynor Smith of Church of Our Redeemer, Methodist, will conduct funeral services at 2 p.m. today in Ripple Mortuary chapel, for Mrs. Rose Lee Imm, manager of the apartment court at 174 E. Montecito.

Mrs. Imm, age 76, died early yesterday in St. Luke hospital where she had been a patient for more than two months.

Interment will be in Live Oak cemetery.

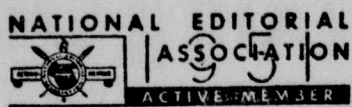

A native of Pelham, Tenn., and resident of Sierra Madre.

## Lee Shippey asks

### What Do You Think?

Bennett Hinkley, who does his own thinking and does quite a lot of it, thinks the sessions of Congress should be only three days a week, the rest of the time occupied in the committee labors of Senators and Representatives. But—anyone not in his seat when either house was in session would be penalized for his pay. Ben also thinks the sessions should be televised continuously, so any voter could look in at any moment when Congress was in session to see how those for whom he voted were behaving. In that way, he believes, Congress would get a lot more done in less time and every member of either house would have to

put himself on record on every measure.

The interest in the televised McCarthy-Army row certainly showed that if we had the chance to look in on our representatives in Washington practically all of us would do it now and then. Probably in every state or district from 1000 to several hundred thousand would be doing that at any given time. It would be a rare man who would not strive to perform his best when hundreds or thousands of his constituents were watching.

Yet—oh, dear! If that exhibition was the best performance that committee could put on, Heaven help us all!

It is unfair to say the investigation resulted in no conclusions. Most of the millions who watched and listened concluded that no investigation should be conducted as that one was. A Senate or House investigation should be conducted with the dignity of a Federal Court, with established rules to protect the rights of all concerned. In a Federal Court any accusation by inference—such as the repeated inference that Cohn was excluded from a place Communists was allowed to enter—would be stricken from the record on the ground that there was no evidence that any Communist had ever been in there. In a Federal Court no witness for either side would be allowed to dodge a direct question by making a speech. Most of us also concluded that the charges and counter-charges should have been investigated by some other committee rather than the one whose own chairman was under fire.

LAST WORD: And most of us also concluded that a prima donna complex is likely to be a harmful thing in any organization. No baseball team could win games if the shortstop thought he was so much more effective than any other member of the team, including the captain and coach, that he refused to cooperate with the other players.

## BUCKEYE STATE REUNION SUNDAY IN LOS ANGELES

The annual Ohio State picnic will be held Sunday, June 27, at Sycamore Grove park, Los Angeles, according to the State society president, J. H. Larimore. The outing and all-day reunion is open to all "Buckeyes" and friends.

The program, beginning at 2 p.m., will feature a "Memory Lane Revue." There also will be badges, coffee and registers.

## Local Water Situation Reviewed

### Citizens for Water Make Suggestions

In the April 13 municipal election, a proposition to issue bonds in the amount of \$110,000 to partially finance water system additions and improvements estimated at \$280,700 and recommended by James M. Montgomery, consulting engineer, was defeated by 170 votes.

On May 4 a public meeting was held at which a report and recommendations by Al S. Myers, former City Water department superintendent, was discussed and compared with Montgomery's appraisal and recommendations which had cost the City \$5000. The Myers' contention and that of a group of citizens, was that necessary repairs and improvements could be achieved without issuance of bonds or increase in water rates.

A Citizens Committee for Water, resulting from this meeting, undertook a further study of the situation, and after a series of public meetings, the committee, A. L. Draeger, chairman, submitted to the City on June 15, a 3800-word report and recommendations, now under study by the City council.

This report estimates Water department monies available as follows:

As of May 1, 1954...\$ 73,000  
Govt. Savings Bonds 65,000  
Anticipated Net Revenue to July 1, 1954 8,000  
Less New Well now under construction 32,000

Bal. Available, including Reserves \$114,000  
The citizens' report recommends expenditures for this year totaling \$87,300, broken down under headings as follows:

BOOSTER PUMPS...\$28,000  
SPREADING GROUNDS 23,500  
REPLACEMENT OF MAINS (\$100,000 divided over 5 years) plus pressure reducing valves, etc., at \$4800 24,800  
OTHER IMPROVEMENTS including complete automatic pumping controls, lightning protection at Mira Monte Booster plant and fire and flood protection at Auburn reservoir 6,000  
ALLOWANCE FOR CONTINGENCIES 5,000

TOTAL...\$87,300  
The citizens' report states in conclusion: When we deduct the recommended immediate expenditures totaling \$87,300 from the amount of \$114,000 on hand, there remains a balance of \$26,700 for reserve. The Water department has consistently returned an amount approaching \$30,000 per year net revenue over expenses, and it can be assumed this amount will be available to add to the reserve or spend on needed replacements and improvements. With the end of this year, our heavy expenditures at the spreading grounds will be completed, with the result that more money will be available next year.

"In preparing the recommendations contained in this report, it has been our aim to offer a constructive plan for spending money on needed improvements, taking first things first and budgeting expenditures to keep within the limits of monies available. If it proves to be of assistance in arriving at a workable solution, all the efforts of everyone connected with its preparation will have been worth while."

In an adjoining column is the first portion of the Citizens Group for Water report dated June 14, 1954. The balance of the report will appear in subsequent issues of The NEWS.

## Rites Held Tuesday for Jacob Annas

George J. Storer conducted funeral services Tuesday afternoon in Ripple Mortuary chapel for his life-long friend, Jacob Annas of 84 S. Hermosa, who died suddenly on Sunday, June 20. Interment was in Mountain View cemetery.

A native of Mulheim on Ruhr, Germany, Mr. Annas came to this country in 1893 and has been a Sierra Madre resident for the past 31 years. He was a retired missionary of the Brethren Assembly and had served in South America, Ecuador, the Dominican Republic and Guatemala.

Surviving him are his widow, Wilhelmina Annas; a daughter, Mrs. Marie Vickers of Arcadia; a son, A. J. Annas of Los Angeles, three grandchildren and one great-grandchild.

## Citizens Group Reports on Water System

(Continued from Page 1)

Another important source of water that may be available to us is a 3 cu. ft. per second right to Santa Anita Creek water owned by the Three Cities Land Company. It is estimated this would produce 705 acre feet per year. Additional minor rights may also be available to us.

We recommend that every possible means be taken to diligently pursue the obtaining of legal right to more water for Sierra Madre until the expected future requirement of 3000 acre feet is met. If we fail to do this, our only alternate course is to purchase water from an outside source, or join the Metropolitan Water District at a cost estimated at \$654,420 (based upon payments of \$21,814 per year for 30 years) plus paying \$20.00 per acre foot of water received, and the cost of added facilities.

There is a general misunderstanding of the basic operation or mechanics of the Sierra Madre water system. Water is not pumped from wells direct to the individual reservoirs through large branchless supply lines where it could then flow out by gravity to the users via completely separate feeder mains. Actually, with the exception of the water flowing by gravity from the tunnels in Little Santa Anita Canyon, we employ the use of electrically driven booster pumps connected to the distribution mains to force water under pressure through the distribution mains, and the reservoirs serve as surge and storage tanks holding the excess of water being pumped.

Thus it may be readily seen that we are dependent on pumping machinery for all of our needs except those met by tunnel flow water. Electrically driven pumps lift the water from our wells to a 375,000 gallon settling basin from which booster pumps deliver the water under pressure through the

distribution mains to the reservoirs. There are three reservoirs in the present system. The Mira Monte reservoir is of 1,400,000 gallon capacity and is at an elevation high enough to serve most of the city by gravity flow. Grove reservoir has a 2,800,000 gallon capacity and is at higher elevation than Mira Monte reservoir and is also able to serve most of the City by gravity flow. The highest reservoir is Auburn which is 500,000 gallon capacity and located at an elevation above any section of the city now subdivided. If, and when another reservoir is constructed, it would be necessary to locate it at an elevation above Auburn reservoir if it were to successfully serve future subdivided sections of the city by means of gravity flow.

Due to the elevation of Grove and Auburn reservoirs and the size and length of pipelines through which the booster pumps are required to force water, four additional booster pumps are located at Mira Monte reservoir. Water from the tunnels in Little Santa Anita Canyon flows by gravity to Mira Monte and Grove reservoirs, and the above four booster pumps are connected to pump water from this source as well as from Mira Monte reservoir.

All of the reservoirs, mains and booster pumps are interconnected and valves are located so that various sections may be independently served by the booster pumps as desired.

Following is a table listing the elevations and capacities of the system's component parts:

Well Pump	Capacity	Elev. Approx.
No. 1	1310 g.p.m.	700 ft.
No. 2	1430 g.p.m.	700 ft.
No. 3	1297 g.p.m.	700 ft.
No. 4	1300 g.p.m.	700 ft.

(No. 4 is under construction)		
Settling Basin	374,000 gal.	700 ft.

## DAVID G. WILLIS INITIATED SIGMA XI

David Grinnell Willis, son of Mr. and Mrs. Cornelius G. Willis, 1 Carter, was recently initiated into Sigma Xi honorary science research society, as an associate member at Stanford University.

Election to membership in 67-year-old Sigma Xi is one of the highest honors conferred upon science students.

The Sierra Madren received his Ph.D. in geology this month from the northern university.

## W. E. Baker to Make Home in Venezuela

William E. Baker, grandson of Mr. and Mrs. Gale Williams, 421 Mariposa, will leave late this month from Ciudad Bolivar, Venezuela, where he will make his home with his father, Robert D. Baker.

Mr. Baker, Sr., owns and operates his own transportation company in the South American city.

LOW COST GOOD PRINTING is a specialty with the NEWS.

## Calord, New Firm Here, a Busy Place

### Scotsman's Thrifty Watering System Kits Made in Old P.O. Bldg.

The Calord corporation came to Sierra Madre in March, 1954, establishing an office and assembly shop in the old post-office building at 25 S. Baldwin and in a few short months has become a busy and integral part of the local business scene. The company manufactures and sells new type watering system kits suitable for home owners as well as commercial growers. The product, which becomes a permanent installation, is called Aqua-Save and was designed and patented by Norman A. MacLeod (a Scotsman) of Altadena.

**Humidifies, Cools Also**  
In addition to being used for sub-soil irrigation or overhead watering, the device is an effective humidifier much appreciated by growers of fuchsias, begonias, orchids and other shade plants. It also serves to cool patios and other outdoor living areas by evaporation of the fine misty spray.

Thrifty is a keyword for Aqua-Save, its developer promising that it saves time, work, plants and water while keeping the plants watered properly—never dry, never drowned, he says.

**Local Man Joins**  
MacLeod is vice-president and general manager of the Calord operation, assisted by Albert B. Sturges of South Pasadena controller, and A. Lincoln Pittinger of Sierra Madre, chief engineer. Pittinger joined the firm in May shortly after his return from 18 months in Europe on engineering assignments.

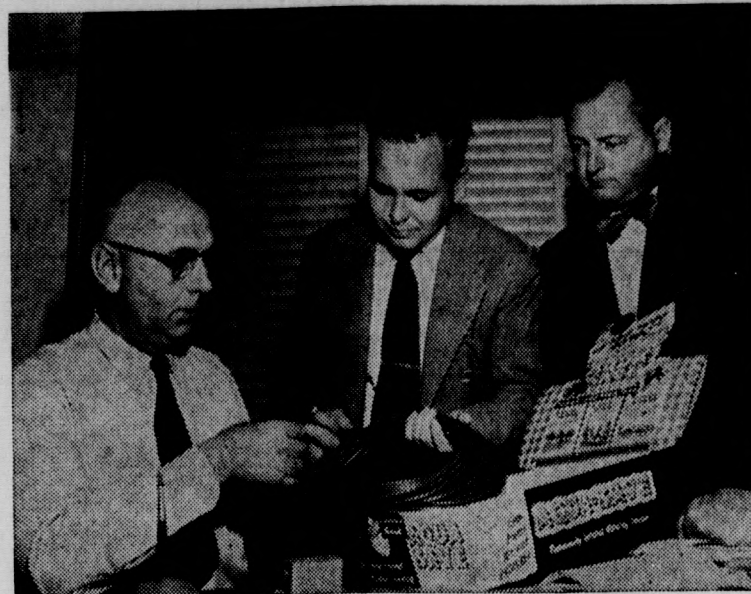

Light manufacturing operations are performed in the shop on South Baldwin. Calord sells to garden supply distributors and jobbers in California and by direct mail to outlying areas.

In addition to a local advertising program, national advertising in trade journals and Sunset Magazine is daily increasing the scope of Sierra Madre's new industry.

**Thrifty Pays Off**  
MacLeod was engaged during the war years at research in explosives laboratories, working on ordnance developments. From the door of one of these laboratories deep in a canyon above Pasadena, he could watch the winter rains rush down the slopes in an area where plants suffered from lack of water the rest of the year.

His concern about the wasteful and irregular distribution of water led to his design of the present watering system.

A true Scotsman's sense of thrift is now paying dividends!

KEY MEN IN CALORD CORPORATION, new light manufacturing firm here, are (left to right) above: Norman A. MacLeod, vice-president and general manager; A. Lincoln Pittinger, chief engineer, and Albert B. Sturges, business manager.

## RALPH M. WELCHES BACK FROM EASTERN TRIP

Mr. and Mrs. Ralph M. Welch, 390 W. Sierra Madre Blvd., returned from a three-week vacation trip east. They traveled by automobile, visited relatives in and around Monmouth, Ill., and also visited in St. Louis, Mo., Little Rock, Ark., and Dallas, Tex.

## MISS JESSIE BOYD IN SIERRA MADRE HOSPITAL

Miss Jessie Boyd, 198 W. Montecito, has been confined in the Sierra Madre hospital for the past 10 days.

## Mrs. H. C. Stroup's Twin Sister Visitor Here from Kansas

Mr. and Mrs. Howard C. Stroup, 500 E. Grandview, have as their house guests Mrs. Stroup's twin sister, Mrs. Robert Schermerhorn and 10-month-old daughter Sue, of Kansas City, Kans., who arrived last weekend. Joining the group next weekend for a week's stay here will be Mr. Schermerhorn and son.

Mrs. Stroup has invited friends in tomorrow to have coffee and to meet her sister.

## TO LEAVE FOR HONG KONG

Norman and Toddy Turner, former Sierra Madrens now living in Pasadena, recently returned from a ten-week deputa-tion trip through the east. The Turners will be sailing for Hong Kong, China, in August under the auspices of the Voice of China and Asia Mission.

## BALSAM-WOOL INSULATES

Balsam-Wool is a thick "blanket," with asphalt-coated kraft covering. It fits between ceiling joists and between studding. Its minute air pockets and windproof cover repel the outside heat or cold.

The good things you put into a house repay you year after year in comfort, satisfaction and savings on winter fuel bills. A home insulated with Balsam-Wool will be just as comfortable 25 years later. You'll get your money's worth many times over.

We recommend it for new or old homes. Ask us for information.

## KEEP COOL when it's hot and WARM when it's not

ENJOY SUMMER COOLING

...WINTER COMFORT

...AT HOME OR BUSINESS

with Servel **GAS**  
all-year air conditioning

Why swelter through sticky summer days? Your home or office will stay as fresh and cool as an April morning if you install Servel Gas All-Year Air Conditioning. And in winter, Servel provides steady, even, draft-free warmth.

The price? Only a little more than the cost of heating alone.

In addition, Servel assures you of trouble-

free operation. There are no moving parts in the refrigeration unit... nothing to wear out or need repair. And you enjoy the low cost of gas.

Check the Servel features listed here. Then see your Servel Gas Air Conditioning dealer or your Gas Company. Discover how economical year round climate control can be with Servel.

WHY HAVE JUST A COOLER when you can enjoy gas air conditioning economically?

- 1 Keeps every room comfortable with one single unit.
- 2 Cools and dries the air when it's hot and humid.
- 3 Heats the air when warmth is needed.
- 4 Can be switched from cooling to heating and back again as needed.
- 5 Filters out dust, dirt and pollen—benefits sufferers of asthma and hay fever.
- 6 Cools without moving parts in the refrigeration unit.
- 7 Uses clean, dependable gas.
- 8 Five year factory warranty on refrigeration unit.

## Take your problems to Church this week — millions leave them there!

## WE CAN HAVE PEACE

PEACE IS A BLESSING ALL MAY POSSESS. Happiness is elusive, a will-o-the-wisp, here today, gone tomorrow. But "peace that passes all understanding" is the heritage of each and everyone and more valuable to the person who possesses it than all material gain, because it can't be taken away. Inner peace, peace with one's self is a bulwark and as much in contrast with storm and strife, that may rage about us, as the sheep grazing on the mountain side within sight and sound of the erupting volcano.

Do you have this peace that passes all understanding? You don't have all that is coming to you from this life if you do not possess it. The Church has been instrumental in bringing peace to more people than has any other institution or means. There is a church for you. Find it, if you have not already done so, and USE it!

With the hope that it will, in some measure, foster and help sustain that which is good in family and community life, this feature is sponsored by the business firms and organizations whose names appear in this space.

## Methodist Conference Reports by Laymen Set for Sunday Service

Conference echoes will be brought to Church of Our Redeemer, Methodist, on Sunday morning, June 27, by the Rev. Raynor Smith, Mrs. Murray Harris and Miss Florence Evans. As the lay member representing Church of Our Redeemer at the recent Southern California-Arizona Conference of the Methodist church, Mrs. Harris will report briefly the trends and decisions of the Methodist body. Miss Evans will give a report on Woman's Day at the conference.

The pastor will give the morning meditation on the theme, "No Middle Ground." Special music for the worship service will include a solo, "Spirit of God," sung by Mrs. Raynor Smith.

## Churches

THE SUNBONNET GIRLS from Henderson Settlement in the Cumberland mountains of Kentucky, will present a program of folk songs, mountain legends and the story of the settlement they represent, when they appear at the Church of Our Redeemer, Methodist tonight. The occasion is a Family Night covered dish supper and program, the latter scheduled for 7:30.

## Mountaineers At Redeemer

Parson Hiram Frakes, "Sky Pilot of the Cumberland," and the "Sunbonnet Girls" of Henderson settlement in the Kentucky mountains will present a program of folk songs and hill country legend at the Family Night supper tonight in the parlor of Church of Our Redeemer, Methodist.

Touring the country on a good will mission and to invite interest in the rural mountain people of the south, the visitors will wear costumes typical of the days when mountain folks were regarded as real outlanders.

Parson Frakes founded the Henderson settlement in 1928 with the purpose of helping meet the educational, social and religious needs of the hill people. The children there, according to Parson Frakes, are "home-grown and hand-spanked" and through the mission, are given a chance to rise above their poverty and develop their full potentialities.

The covered-dish supper will be served at 6:30 with Mrs. Ernest Phillips and Mrs. Herbert Bauer the hostesses for the evening. Family groups are invited to attend and are asked to contact one of the hostesses to check on food contributions. Those unable to attend for supper are urged to be on hand for the program which will begin at 7:30.

## PASTOR ANNOUNCES SERMON TOPICS FOR BAPTIST SERVICES

"Not Now, but Later" is the topic which the Rev. Edward Kriz has chosen for his sermon message at 11 o'clock services Sunday morning at First Baptist church. His theme for the Singing Service at 7:30 Sunday evening will be "Take Heed."

There also will be testimonies of inspiration, special music and a film entitled, "Five Minutes to Live" at the evening service.

Earlier Sunday evening, at 6:15 p.m., the Christian Youth Fellowship will present a program, "Believe It, It's True."

## More Than 300 Attending Bible School at Bethany

A new record for first day attendance was set at the Bethany Vacation Bible school this year. Mrs. Marie Franzen, superintendent, announced that the total of students and staff on Monday, opening day, came to more than 300 and that, judging by previous experience, the enrollment will increase as registrations continue to be open.

Mrs. Franzen also reports that the children attending are enthusiastic about the western theme for the school, "Pioneering With Christ." All the decorations, crafts, games, stories and lessons are linked with this theme.

Graduation will be held on the evening of July 1 at 7:30.

## Bible College President Bethany Guest

In the absence of Dr. Robert N. Schaper, pastor, the pulpit at Bethany church will be filled Sunday for both morning and evening services by Dr. Robert Belton, president of the Kansas City Bible college. Before assuming his responsibilities as Bible college president, Dr. Belton was a Presbyterian minister and also was chaplain of Berry schools in Rome, Ga.

Under his leadership the Bible college of which he is now president has come to be recognized throughout the middle west as an outstanding center of Christian education, according to Dr. Schaper. This will be Dr. Belton's first appearance in Sierra Madre.

Dr. and Mrs. Schaper will be in Berkeley this weekend attending the state convention of Christian Endeavor societies in First Presbyterian church there. Dr. Schaper will give a series of three Bible studies to the delegates and is the only convention speaker appearing more than once on the program. The young people attending will represent every section of California.

Also attending the convention from Bethany will be the Harmonettes, a vocal ensemble of young women who won first place in the Los Angeles County Christian Endeavor music contest. They will sing for the convention audience on Sunday, July 27. Members of the ensemble are Lydia Richter, Lynda Ower, Marilyn Hailey, Jean Marshall, Joyce Bick and Leona James.

## Consersol Invites Husbands to June Box Social Event

Conserso, womens' organization of the Sierra Madre Congregational church, will hold a

box social as their June meeting, at the home of the retiring president, Mrs. Frank Lukas, 422 Ramona Ave.

Husbands are also invited when the group convenes on June 29 at 7 p.m. Members will bring entire meals in

boxes, except for coffee, which will be served, according to Mrs. William Burr, incoming president.

Don't forget to vote in "The Clerk of the Month" contest.

## Cub Scouts Notes

Awards were presented in a formal ceremony on Friday, June 18, at a meeting of Cub Pack 371 for which the program theme was, "Air Adventures." Den 3 opened the event with the Salute to the Flag and presentation of the American flag to the pack by the VFW auxiliary followed.

Awards were presented as follows: DEN 1—Joseph Dauben,

Bear badge; Bradley Zebal, silver arrow; Duncan Cason, gold arrow; Udel Schmitz, Denner, and Fred White, assistant Denner; DEN 2—Mike Toms, Wolf badge; Eric Dowty, silver arrow; DEN 3—Larry Lisle, Wolf badge; Gene Thorne, silver arrow; Howard Schaefer, gold arrow; DEN 4—David Tiller, Wolf badge and assistant Denner stripes, previously earned.

DENS 1 and 2 tied for the attendance record and award. Den 4 won the inspection award.

A. E. Thorne was thanked for his work for the pack and Mrs. Mac A. Cason and Mrs. T. E. Dammeyer were commended for their planning and work on the

recent rummage sale. Appreciation also was expressed to Mrs. J. W. Reece for the rummage sale location, and to the mothers, dads and Cubs who assisted.

There will be no pack meeting next month but the committee will meet on July 7 at 8 p.m. in the Reece home. Plans will be advanced then for a picnic in August.

At the recent pack meeting a movie of the sabre jet was provided by North American Aviation corporation.

This summer, like every other summer, a number of good swimmers will drown.

## Social and Club Activities

### Nancy Webster and Brother to Spend Summer in Europe

Miss Nancy and Walton ("Bud") Webster, daughter and son of the W. Alden Websters, 305 E. Laurel, have every reason to look forward to a busy and interesting summer.

They leave Sierra Madre tomorrow for Quebec where they will join a student tour and sail July 3 from the Canadian city for a 40-day bicycle trip through England, France, Belgium, Switzerland and Germany.

Bud has been conditioning himself for the rigors of bicycle touring but Nancy, a junior at the University of California at Berkeley hasn't had an opportunity to do so. Bud is a student at PCC.

The Webster sister and brother will have 10 free days after the bicycle tour and they will take a side trip to Switzerland before embarking at Le Havre, France for the return trip by boat to Quebec where they will arrive Sept. 14.

Mrs. Webster believes the Sierra Madre pair are the only Californians taking this particular student tour.

### Lady Lions to Have Anniversary Dinner

The club's July meeting will be the home of Mrs. Lloyd Welch, 50 Montecito Ct.

Following the business meeting Mrs. Welch entertained the members with the showing of the colored slides which she and friends had taken during the Caribbean cruise she and Mr. Welch recently completed.

Refreshments were served following the entertainment.

The club's July meeting will be the anniversary or birthday meeting of the Lady Lions and will be celebrated by a joint meeting with the members of the Lions club in the home of Mr. and Mrs. Lawrence McGinnis, 381 N. Mountain Trail. The evening will include a patio dinner, badminton, ping-pong and other games.

### Fire Chief Heasley's Brother, Family Here Here from Pennsylvania

Fire Chief and Mrs. James C. Heasley, 536 Oakdale Dr., have as their guests Chief Heasley's brother and sister-in-law, Mr. and Mrs. Waldo Heasley of Tarentum, Pa., and their daughter, Mrs. Naomi Reedy of Natrona Heights, Pa. The Pennsylvanians arrived yesterday for a six-week stay during which Chief Heasley will take his 15-day vacation starting next week.

Also expected home sometime during the summer is the Heasleys' son, Lt. J.G. Loren Heasley who has been on a tour of duty in Japanese waters aboard the USS Marsh.

### MILDRED ROBBINS RETURNS FROM EAST

Mildred Robbins, popular checker at the Safeway store, recently returned from a two-week trip to Peoria, Ill. She was called east when her father was to undergo surgery and returned to Sierra Madre after he was on the road to recovery.

### Trinity Church Plans Father-Son Banquet

Soap Box Derby time is here again and the committee in charge of arrangements for the Trinity Presbyterian church's second annual Father and Son Banquet to be held tomorrow, June 25, at 6:30 p.m. in the church, is planning a program around that theme.

Guests of honor for the banquet will be Dale and John King who were second and third place winners at the 1953 National Soap Box Derby finals held at Akron, O.

Speaker for the evening will be one of the Soap Box Derby officials who will give a short talk on the rules of the derby and how to build a car. Following the talk a color film of last year's derby will be shown and each boy will receive an official Soap Box Derby rule book.

The Men's club of the church is sponsoring the banquet. The members of the planning committee are Joseph Schewepe, Jack Steffens, George Vane, Lou Jennings and George Sablin.

### Mrs. A. J. Erickson To Visit England

Mrs. Arthur J. Erickson, 230 W. Montecito and her oldest son, Randy, will leave next Monday for a holiday in England.

The greater part of the Sierra Madreans' time will be spent visiting with Mrs. Erickson's relatives in Darlington, England. Before returning to the States in September, the travelers will spend some time in London and the lake district.

Dr. and Mrs. Reginald Denke will stay with Mr. Erickson and the youngest son while Mrs. Erickson is away. The Denkes are a young newly married German couple. Dr. Denke has been in this country a year and is intending at the Huntington Memorial Hospital. Mrs. Denke arrived from her home in Berlin, Germany, just a month ago.

### Anoakia Announces Summer Tutoring

The Anoakia school in Arcadia has announced a diversified summer program for boys and girls between the ages of 5 and 13 beginning Monday, June 28, and continuing for 10 weeks.

Those children wishing to combine work with pleasure may receive tutoring in remedial reading and arithmetic. Ralph H. Pinney, who has been an instructor in the Sierra Madre school system for the past two years, will join the Anoakia staff for the summer and tutor in the two subjects.

His academic training included undergraduate work at Macalester college in Minnesota, graduate work at Oberlin Graduate School of Theology in Ohio and educational training, including remedial reading, at UCLA. In addition, he has had considerable experience with youth groups.

It will be possible to arrange tutoring on an hourly basis, according to school officials. The academic program for the summer includes a minimum of five weeks instruction and each class is one hour in length.

### C. E. Bartley Family Moves to Redlands

Mr. and Mrs. C. E. Bartley and their three children, Susan, Stevie and Judy, moved this week to their new home in Redlands where their address is 755 Cajon St. They have sold their home here at 300 E. Montecito.

Mr. Bartley is president of the Grand Central Rocket company which has built a new plant at Montone, near Redlands. He has been associated with the Grand Central Aircraft company, Pacoima, for the past two years, having previously been chief of the solid propellant section, jet propulsion laboratories at Caltech.

Mrs. Bartley is a past president of the active Community Nursery school auxiliary here.

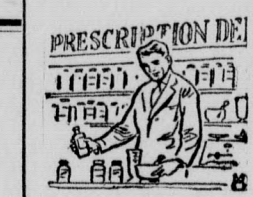

### Mrs. Sam D. Simpson Returns from Texas

Mrs. Sam D. Simpson, 291 W. Montecito, and her 8-month-old daughter, Phyllis, recently returned from a weeks' visit with Mrs. Simpson's parents, Mr. and Mrs. W. J. Truesdell, in their Denison, Tex., home.

Mr. Truesdell was seriously ill and the Sierra Madreans stayed until he was out of danger.

### SET JULY 1 FOR MONTHLY BUSINESS MEETING

### LOCAL RED CROSS WELL REPRESENTED AT CONVENTION

The Sierra Madre chapter, American Red Cross, was well represented last week at the three-day national convention of the American Red Cross at the Statler and Biltmore hotels and the Shrine auditorium.

Assisting in giving information and ushering were seven volunteers from Sierra Madre including Mrs. Paul Burton, Mrs. Leo H. Meyer, Miss Julie Conzelman, Mrs. Dan B. Strite,

Mrs. Edward C. Young, Miss Jean Woodward and Mrs. H. R. Wood.

Miss Woodward also took part in the Pageant of Volunteers, opening event on the convention program. Mrs. Florence Peterson, executive secretary of the local chapter, attended many of the convention sessions and 10 board members attended the international luncheon at the Hotel Statler. They included Mrs. Young, Mrs. Robert Dodge, Mrs. N. B. Hutton, Mrs. Woodward Jones, Mrs. Don Wells, Miss Woodward, Mrs. Wood, Col. and Mrs. Owen R. Marriott and Mrs. J. C. James.

**Toni Loomis Marks  
Eighth Birthday**

Mr. and Mrs. John C. "Tony" Loomis, 1140 Hastings Ranch Dr., honored their daughter, Toni, last Saturday on her eighth birthday.

Pastel colors were used in the table decorations and favors and all the young ladies attending were attired in their prettiest party dresses.

Among those arriving for the gay affair were Linda Ashead, Linda Ruiz, Carol Langstaff, Susan Wynn, Cathye Mayo, Diane Sullivan, Deanna Rowan, Nancy Taylor, Kathleen O'Neill, Barbara Paige, Ann Callander, Judy Stine and the guest of honor's brother and sister, Johnny and Roxanne.

Mrs. Melburn Stine assisted Mrs. Loomis with the young guests and Miss Grace Newberg of Altadena was in attendance to take pictures.

Kathleen O'Neill, who is moving from the Ranch to Sunland with her parents, Mr. and Mrs. J. Pat O'Neill, 1130 Tropical, spent the night at the Loomis home.

**Dixie E. Tillers  
Leave for Northwest**

Mr. and Mrs. Dixie E. Tiller, 125 N. Sunnyside, and their children, Mary and David, will leave this weekend for their new home in Portland, Ore.

Enroute north, the Tillers will visit friends on their ranch just outside of San Francisco, at Monte Rio.

Mr. Tiller is associated with the Terminix Service Company in Portland, an affiliate of the Western Construction Company which services Washington and Oregon.

The Tillers have made their home in Sierra Madre for the past 12 years. Mrs. Tiller was the first president of the Sierra Madre Community Nursery School association and has recently served as a social worker for intake for Camp Max Strauss operated by the Jewish Big Brother association of Los Angeles. A Sierra Madrean, Milton Goldberg, is executive director of this association. She also is a past member of the Sierra Madre Family Service board of directors.

The A. Lincoln Pittenger family, who has been renting the W. Murray Hawkins home, will rent the Tiller home.

—It should be pronounced Sierra Ma-dray. OK!

MRS. FREDERICK PETER KRINKE, the former Margaret Ann Oakley, daughter of Mr. and Mrs. William Stephen Oakley, 90 Suffolk, is honeymooning along the El Camino Real following her wedding June 22 at the Sierra Madre Congregational Church. The groom is the son of Mr. and Mrs. Frederick A. Krinke, 145 W. Carter.

**Krinke-Oakley Nuptials June 22 at  
Sierra Madre Congregational Church**

Mr. and Mrs. Frederick Peter Krinke are honeymooning along El Camino Real, the Old Spanish Trail, following their wedding June 22 at the Sierra Madre Congregational church.

The bride is the former Margaret Ann Oakley, daughter of Mr. and Mrs. William Stephen Oakley, 90 Suffolk.

The bridegroom is the son of Mr. and Mrs. Frederick A. Krinke, 145 W. Carter.

The bride is a third generation Californian and her wedding took place on her parents' silver wedding anniversary.

The groom's grandfather, John Froehlich, is a former mayor of Sierra Madre.

The bride's gown was fashioned with a fitted V-neck bodice of Chantilly lace and a bouffant scalloped skirt over nylon net and taffeta. The full illusion French bridal veil was held in place by a cloche cap made of delicate silk leaves. The bride carried a bouquet centered with white orchids and a cascade of phalaenopsis orchids.

Dorothy Oakley was her sister's maid of honor and was gowned in a ballerina length Chantilly lace and nylon tulle dress. She carried pink carnations.

Another sister, Marian Oakley, and Carol Evans were the bridesmaids. Their dresses were blue and they carried blue carnations.

John Spurney was best man

and the ushers were Charles Lawrence Yerxa, cousin of the bride, Thomas Lister, Merton Williams and Lawrence Curtis.

The bride's mother wore a mauve blue Chantilly lace and chiffon dress with pink accessories. Aqua accessories were worn by the groom's mother to accent her natural lace ensemble.

Following the service, read by Rev. Carl Smith, a reception was held in Pritchard Hall.

Both of the young people attended Sierra Madre Elementary school and were graduated from Pasadena City college. The bride attended Monrovia-Duarte High school and the groom attended Woodrow Wilson Junior High school.

The bride's grandparents are Dr. and Mrs. Charles W. Yerxa of Arcadia.

Prior to the wedding the bride was honored by her sisters, Gertrude, Dorothy and Marian, at a miscellaneous shower. A surprise shower was given in the San Gabriel home of Denise Wombwell by the members of the Gunaik club. Mrs. Krinke, Sr. also honored her future daughter-in-law at a tea given in her home.

To know how to grow old is the master work of wisdom, and one of the most difficult chapters in the great art of living. —Amiel.

UPPER HASTINGS: MARGE THOMAS, Custer 5-2951

## Nursery School Bridge Tourney in Finals

High scorers in the four divisions of the Hastings Ranch Nursery School Bridge Tournament are announced today by co-chairmen, Mrs. Gordon K. Wright and Mrs. William K. Spalding. Each of the four couples will play the other before July 3 to determine the grand prize winners.

Winning couples are: first tournament, Bill and Pat Dixon, 1150 Valley View, 27,460 points; second tournament, Chris and Nancy Larsen, 1270 Daveris, 30,170 points; third tournament, Horace and Eileen Ray, 3690 Newhaven, 30,200 points; fourth tournament, Charles and Louise Day, 3770 Shadow Grove, 30,850 points.

These couples were high of 40 couples playing in the benefit tournament since last Feb. 14, with 10 couples in each division. Besides the grand prize there will be awards for runners-up and second and booby prizes for each division.

## Surprise Party For Mrs. Raymond Dusan

Mrs. Raymond E. Dusan, one of the second grade teachers at Don Benito school, was recently honored at a surprise tea party held in the Sierra Madre Villa park.

All of Mrs. Dusan's pupils and their mothers attended the affair. Highlight of the occasion was the presenting of a large cake decorated with a report card. Each of the children made a card for the teacher.

Mrs. Karen J. Monsour was chairman for the party and was assisted by Mrs. Wayne S. Blackman, Mrs. Victor E. Caffee, Mrs. Jack S. Doherty, Mrs. J. Pat O'Neill, Mrs. H. Vern Gates, Mrs. Wayne F. Barnes, Mrs. Sam Rudnick, Mrs. H. Martin Hybersen, Mrs. Robert D. Mason and Mrs. Victor Harris.

The children were very pleased that their favorite Forest Ranger, Mr. Brown, was in attendance at the party.

## J. George Robinsons Move to St. Louis

Friends and neighbors were sorry to hear that Dr. and Mrs. J. George Robinson, 1160 Rexford, and their children, Linda and Hank, will be leaving the ranch the middle of July to make their home in St. Louis, Mo.

Dr. Robinson will head the marketing department at Washington university in St. Louis. For the past five years Dr. Robinson has been a professor at the University of Southern California in the marketing department.

## Ensenada Weekend For A. C. Wilfong

Mr. and Mrs. Alex C. Wilfong, 3660 Greenhill, and their daughter, Sue Ann, enjoyed a pleasant weekend at Ensenada, Mexico.

Mrs. Wilfong recently returned from a week's stay with her son and daughter-in-law, Lt. and Mrs. Don C. Wilfong, at San Rafael Village, located at Hamilton Air Base where Lt. Wilfong is assigned for duty.

## Nursery School Sets Swim Party July 17

July 17 is the date for the Hastings Ranch Nursery school's "Cool-off" and supper at Wagner's pool on North Foothill.

Mrs. Edwin J. Cowan is taking reservations, which are limited to 200 and must be in by July 10. Tickets are \$1.75 a person and include swimming and supper.

## 'Buck' Burgwald Marks Birthday

Friends recently gathered at the home of Mr. and Mrs. Hugo M. "Buck" Burgwald, Jr., 1380 Tropical, to celebrate Mr. Burgwald's birthday.

Among those arriving to share in the evening's festivities were Mr. and Mrs. Robert M. Reed, Jr., Mr. and Mrs. Luke Gallagher, Mr. and Mrs. Brooks Thomas and Russell E. Burkett, Jr.

## Graduation Honors For Ranch Resident

Mr. and Mrs. Merritt J. Thompson, 1059 Cynthia, recently attended the graduation ceremonies at John Muir college where their daughter, Joycene, graduated from the upper division.

At the "Awards Tea" Miss Johnson was given Administration honors, because of her scholastic rating; a life membership in Alpha Gamma Sigma, a scholarship society of which she is a past president; was one of two students placed on the society's honor roll; received the scholarship from the Association of American University Women, and was also presented with the Kiwanis club award to the outstanding woman student at John Muir which was based on citizenship, Sportsmanship, scholarship, athletic ability and general training.

Miss Johnson plans to enter Pomona college next fall.

## Mrs. William Shaafsma Honored at Tea Party

Mrs. Leonard E. Read, 1230 Rexford, and Mrs. William M. Lawson were recent hostesses at a farewell party in the Read home for Mrs. William Shaafsma, 1200 Rexford, who is moving with her family, to Redlands, Calif.

Those enjoying the tea party were Mrs. Robert J. Dumas, Mrs. Edward O'Donald, Mrs. Robert Falner, Mrs. George W. Krotz, Mrs. Dahl I. Gerberick and Mrs. John Read. Mrs. Read's mother, who is visiting in the Ranch from her San Francisco home.

## Baby Shower Honors Mrs. L. O. Johnson

Mrs. Sam Rudnick, 1270 Coronet, recently honored Mrs. Lloyd Orval Johnson at a baby shower.

Those arriving with their pink and blue bundles were Mrs. Victor E. Caffee, Mrs. C. Don Hays, Mrs. Gordon E. Newhouse, Mrs. Frank T. Cary, Mrs. Robert C. Fogel, Mrs. Warren W. Milldrum, Mrs. Jack K. Reinhart, Mrs. Edgar E. Savage and Mrs. John Roark.

The Johnsons will be leaving their home at 1250 Coronet next month to make their home in San Francisco.

## Debra Caffee Honored On Eighth Birthday

Debra, daughter of Mr. and Mrs. Victor E. Caffee, 1240 Coronet, recently celebrated her eighth birthday at a "Hobo Party."

Each of the young guests arrived in costume. The most elaborate outfit was worn by Robin Hardison who even used burnt cork make-up.

The guests ate their barbecued "Hobo" luncheon on banana handkerchiefs and were given derbies as favors. The games included tootsie rolls, marshmallow gobbles, balloon stampede and a cigar hunt. To end the day's festivities the "hoboes" toasted marshmallows.

Those taking part in the fun were Patty McWayne, Tennie Barnes, Marshall and Byron Cary, Milinda Hays, Carol Hybertsen, Anne Harris, Ann Calander, Sharon and Sandra Seiler, Nancy Taylor, Robin Hardison, Diane Sullivan, Deanna Rowan, Andrea Judd, Mary Johnson and Cheryl McKibbin.

## Alpha Circle Hostess For Guild Luncheon

Alpha Circle has hostess for the season's final monthly Guild luncheon of Trinity Presbyterian church, with Mrs. Harold Davidson, circle leader, in charge of the serving and program.

Assisting her were Mmes. Amelia Bernard, Fannie Darling, Fred Embree, George Slater, Anthony Trevisano, Alice Vensel, Jean Wooley and Emma Wright.

Each Guild circle presented a skit for the program, with Mrs. Joseph Cummins, in Mexican costume, giving an impersonation; Mrs. William Smylie, presenting a map talk on New Mexico missions; Mrs. Wright telling her experiences with a New Mexico Presbyterian hospital, and Mrs. Embree leading the devotional. There was a Mexican dancer from the Plaza county home.

## Evening of Bridge at Gordon S. Templars

Mrs. Gordon S. Templar, 1220 Tropical, recently entertained at an evening of cards.

Those arriving to enjoy the evening's fun were Mrs. William K. Shiner, Mrs. Warren H. Cline, Mrs. Paul F. Kelley, Mrs. Gerald R. Faney, Mrs. Fred C. Fenton, Mrs. Donald H. Williamson and Mrs. Keith L. Stiles.

## ALL SORTS OF BUSY PEOPLE PROFIT BY METRO'S 1150 MILES OF SERVICE

### HOW ABOUT YOU?

Are you taking advantage of this Metropolitan Coach Lines network of dependable and economical transportation throughout Southern California's four most important counties?

Bankers and bakers... tourists and typists... students and storekeepers... passengers of every age and vocation find that riding a comfortable, fast-moving Metro coach is a paying proposition. It pays off in more money saved; in less time consumed; in the ability to get places relaxed in mind and body.

REMEMBER—it's smart  
to go by Metro.

## MANY BOOKWORMS AIM OF "READING FOR FUN" PROGRAM HERE THIS SUMMER

Children who take part in "The Summer Program of Reading for Fun" at the Public Library through July and August may end up as full-fledged bookworms—and will have pictures to prove it.

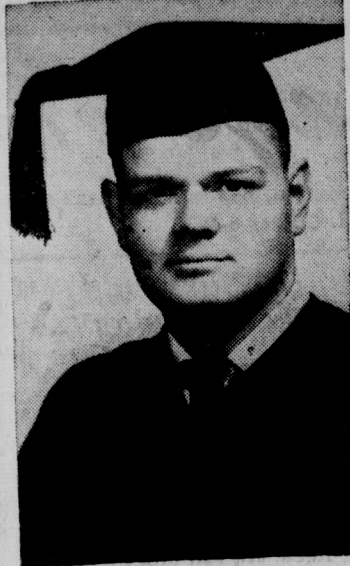

For each book read and reported on during the eight-week program starting Friday, July 2, Miss Marjorie Black at the library will fill in another section of a rather sassy, little bookworm pictured on each child's certificate. The completed certificates will be presented on punch-and-cookie day at the conclusion of the program.

Sixteen books read and reported on will result in a complete bookworm.

At any time during library hours children will be helped in selecting books, if they wish. Friday afternoons between 1:30 and 5:30 o'clock, Mrs. Black will be on hand to hear book reports and to record progress. Last summer this was done on a space chart with about 50 youngsters participating and eyeing each other's progress.

The program is sponsored jointly by Miss Lulu Moore, librarian, and her staff at the Public Library and by the Sierra Madre Parent Teacher association of which Mrs. Jean Lumsden is Home Reading chairman. Mrs. Lumsden, a first grade teacher, at City school, selected the bookworm theme this year.

Dressed as much like a bookworm as a little girl can be, Sally Frye announced the "Reading for Fun" program in the classrooms and at a general assembly on promotion day at City school last week.

ROBERT L. WILDEY, son of Mr. and Mrs. Charles D. Wildey, was valedictorian for his graduation class at John Muir College. Mr. Wildey is an astronomy major and will continue his studies at the California Institute of Technology.

## Honor Society Taps Margaret Farrow

Margaret Farrow, daughter of Mrs. Elizabeth L. Farrow, 264 N. Baldwin, was recently tapped into the Order of Mast and Dagger, the highest honorary service organization on the campus of Pasadena City college.

Miss Farrow has been a library assistant, a worker in the school bank, president of the Library Council for two semesters, a member of the Social Affairs Commission, Organization Council, Spartans, Kantata, Anapolians and is president of Omicron Alpha. She also took an active part in Youth Day.

Miss Farrow is a graduate of St. Rita's school and following summer session will graduate from the upper division at Pasadena City college. She plans to enter the University of Redlands next fall.

The busy Sierra Madrean has recently been appointed youth director of the Senior Young Peoples Fellowship and Canterbury club at St. Mark's Episcopal church in Altadena.

## Mayor Poulson to Greet Swedish-Americans at Midsummer Festival Sat.

Members of the Swedish-American population of the Los Angeles area will gather on Saturday, June 26, at Sycamore Grove park in Los Angeles to celebrate a distinctly Swedish holiday, the Midsummer Festival.

Guest of honor will be Mayor Norris Poulson, born of Scandinavian parents in Oregon. It will be the first time a mayor of L. A. has greeted the celebrants.

There will be a band concert at 1 p.m. and the official program, featuring the Vasa Folk Dance club will get underway at 2 p.m.

### LEGAL NOTICE

No. 70  
ORDINANCE NO. 539  
AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, CALIFORNIA, AMENDING ORDINANCE NO. 391 OF THE CITY OF SIERRA MADRE, KNOWN AS THE "OFFICIAL LAND USE PLAN ORDINANCE," BY ADDING A NEW SECTION THEREIN TO BE KNOWN AS AND NUMBERED SECTION 5A AND CREATING A NEW ZONE OR DISTRICT THEREBY TO BE KNOWN AS AND DENOMINATED R-1-M (SINGLE FAMILY) RESIDENCE DISTRICT.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN AS FOLLOWS:

SECTION 1. That, after public hearings by and before the City Planning Commission and the City Council as prescribed by law, Ordinance No. 391 of the City of Sierra Madre, entitled "AN ORDINANCE ESTABLISHING A LAND USE PLAN WITHIN THE CITY OF SIERRA MADRE; CREATING SIX (6) DISTRICTS, REGULATING THE USE OF PROPERTY, HEIGHT OF STRUCTURES, AND OPEN SPACES FOR LIGHT AND VENTILATION; ADOPTING A MAP OF SAID DISTRICTS; DEFINING TERMS USED; PROVIDING FOR THE ADJUSTMENT, ENFORCEMENT AND AMENDMENT THEREOF; AND PRESCRIBING PENALTIES FOR VIOLATION; AND REPEALING ALL ORDINANCES IN CONFLICT THEREWITH," adopted December 27, 1938, be and the same is hereby amended by adding thereto a new section to be known as and numbered Section 5A and to read as follows:

"SECTION 5A: R-1-M (Single Family) Residence District.

Regulations:

(A) Uses permitted:

- One family dwellings of a permanent character placed in permanent locations.
- Accessory buildings and uses incidental to each single family dwelling, including a private garage for the accommodation of not more than three (3) automobiles; children's play house; lawn or greenhouse, toolshed, work room, servants' quarters, provided no kitchens or kitchen facilities are provided therein; stables and sheds for the housing of domestic animals; when placed upon the same lot or parcel of land and not used or operated commercially.

(B) Building Height Limit:

Two (2) stories, but not to exceed thirty-five (35) feet.

(C) Building Site Area:

The minimum site area shall be eleven thousand (11000) square feet of lot area for each dwelling and each such area shall have a minimum frontage upon a public street of eighty-five (85) feet.

(D) Front Yard Required:

The front yard shall be as now required, or as may be hereafter required by any Ordinance of the City of Sierra Madre.

(E) Side Yard Required:

On the interior lots there shall be a side yard on each side of a dwelling with or without attached garage, of not less than five (5) feet and of not less than three (3) feet for a detached garage or accessory building.

On corner lots the required side yard line adjoining the interior lot shall be the same as for interior lots. The required side yard on the street side shall be ten per cent (10%) of the width of the lot, provided it shall not be less than ten (10) feet; and provided further that accessory buildings shall be located not less than fifteen (15) feet from the side street lot line.

(F) Rear Yard Required:

On lots having only one dwelling there shall be a rear yard of not less than twenty-five per cent (25%) of the depth of the lot, provided such rear yard need not exceed twenty-five (25) feet. On lots having two or more dwellings the required rear yard for the dwelling nearest the rear lot line shall be not less than ten (10) feet and the distance between separate dwellings on the same lot shall be not less than thirty-five (35) feet.

(G) Distance Between Buildings on Same Lot:

No detached accessory building shall be closer than five (5) feet to any other accessory building, or to the main building, on the same building site."

SECTION 2. That subsection A of Section 3 of said Ordinance No. 391 be and the same is hereby amended to read as follows:

"SECTION 3: Establishing Districts and Limiting the Uses of Land Therein:

A. In order to classify, regulate, restrict, and segregate the uses of land and buildings; to regulate and restrict the height and bulk of buildings; and to regulate the area of yards and other open spaces about buildings, eight (8) classes of districts are hereby established to be known as follows:

R-1: (Single Family) Residence District;  
R-1A: (Resort) Residence District;  
R-1-N: (Single Family) Residence District;  
R-1-L: (Large Single Family) Residence District;  
R-2: (Two Family) Residence District;  
R-3: (Multiple Family) Residence District;  
C-1: (General) Commercial District;  
M-1: (Light) Manufacturing District;

which said several classes of districts are shown and delineated on that certain map entitled "Official Land Use Plan of the City of Sierra Madre, California"; which said map is attached hereto and is hereby adopted and made a part hereof.

SECTION 3. The City Clerk shall certify to the adoption of this Ordinance and prior to the expiration of fifteen (15) days from the passage thereof shall cause the same to be published once in the Sierra Madre News, a newspaper of general circulation, published and circulated in the City of Sierra Madre, and thirty (30) days after the final passage thereof said Ordinance shall take effect and be in force.

I HEREBY CERTIFY that the foregoing Ordinance was adopted at an adjourned regular meeting of the City Council of the City of Sierra Madre, held on the 15th day of June, 1954, by the affirmative vote of at least three Councilmen, to wit:

AYES: Councilmen Pratt, Roberts, James and Louk.  
NOES: None.  
ABSENT: None.

L. MARIE WARFEL,  
City Clerk of the City of Sierra Madre.

SIGNED AND APPROVED this 15th day of June, 1954.  
CHARLES E. LOUK,  
Mayor of the City of Sierra Madre.

ATTEST:  
L. MARIE WARFEL,  
City Clerk.

## 30-Day Leave for Don L. Springer

Don L. Springer, son of Mr. and Mrs. Donald H. Springer, 233 Santa Anita Ct., is home on a 30-day leave from the U.S. Navy where he is a teleman third class.

Mr. Springer has spent the past eight months aboard the U.S.S. Chara, an ammunition ship which transferred ammunition and personnel at sea to destroyers, cruisers and carriers of Task Force 77.

Before returning to the mainland the U.S.S. Chara visited the Republic of the Philippines, Okinawa and the Japanese ports of Yokosuka, Sasebo, Kobe and Beppu.

Mr. Springer is a graduate of Sierra Madre Elementary school, Wilson Junior High school and Pasadena City college.

The Sierra Madrean expects to receive his discharge from the Navy this fall following four years of service.

**VFW AUXILIARY PLANS BINGO PARTY FOR JUNE 30**

The Veterans of Foreign Wars Auxiliary will hold a white elephant sale and bingo party at 8 p.m., Wednesday, June 30, in the Old Adobe clubhouse, 37 E. Montecito. Prospective members are invited to attend.

# Know the SCORE and you'll get a FORD

FORD WINS ON ENGINES		FORD WINS ON RIDE		FORD WINS ON DRIVES			
	FORD		FORD	DRIVE	CONVENTIONAL	OVERDRIVE	AUTOMATIC
	Only V-8 in its field		Only Ford has new Ball-Joint Suspension	FORD 130-h.p. V-8 115-h.p. SIX	YES	YES	YES
	CAR C Outmoded Sixes only		Old-fashioned kingpin type	CAR C 115-h.p. SIX 125-h.p. SIX	YES	NO	NO
	CAR P Outmoded Sixes only		Old-fashioned kingpin type	CAR P 100-h.p. SIX 110-h.p. SIX	YES	YES	NO
Ford's new V-block V-8 is the most modern engine in the industry! And it's the only V-8 in the low-price field! It has deep-block, low-friction design for smooth, gas-saving "GO."		This advanced new suspension makes all handling easier... all riding smoother. The magic in the sealed Ball-Joints which replace old-fashioned kingpins and hinge-like joints.					

**FORD WINS ON STYLING**

With... Clean, crisp, trend-setting lines.

- A truly modern, long, low, sleek silhouette.
- Smooth, graceful fender line.
- Low, subtly-curved, modern headline.
- Fashion-tailored interior fabrics and trim.

... WHICH NO OTHER CAR IN FORD'S FIELD CAN MATCH!

Ford wins on the "deal," too!

Come in and get the score Today!

**CARL HANSEN**  
120 W. Sierra Madre Blvd. ★ CUster 5-2321  
Great TV, Ford Theatre, KNBH (4), Thursday, 9:30 p.m.

Patricia, isn't it wonderful the way our electric service has taken over so many thankless jobs around the house? It's so easy—just the flip of a switch—anytime—day or night.

Yes, and what a bargain it is! We watch our expenses closely, and we've found that our electric service is one of the cheapest items in our budget—just pennies a day for all the electricity we use in every room in the house.

Luxury at low cost is yours every day...  
**ELECTRICALLY!**

**SOUTHERN CALIFORNIA EDISON COMPANY**

## City's Share of State Gas Tax Revenues is \$23,042 for Fiscal Year

SACRAMENTO—A new record total of \$23,454,814.65 of state gasoline tax revenues, surpassing last year's total by more than one million dollars, has been apportioned to 314 cities in California for street work during the current fiscal year.

The total apportionment to Sierra Madre for the fiscal year ending June 30, 1954, was \$23,042.11.

The apportionment, equivalent to five-eighths of a cent per gallon out of the gasoline taxes paid by highway users, is made by the State Division of Highways in accordance with law on a population basis.

The five-eighths cent apportionment is for expenditure on city-administered streets off the State Highway System.

State law requires the cities to expend at least 60 per cent of this gas tax apportionment for construction on streets included in the major street system as designated by the city council and approved by the State Department of Public Works. Up to 40 per cent of it may be spent for maintenance of any city streets.

Such sweet compulsion doth in music lie.

### Now you Know!

The Answers to Everyday Insurance Problems—  
By HARRY A. LANGE

QUESTION: I read an insurance ad the other day which mentioned Fire and Extended Coverage. The ad didn't explain exactly the Extended Coverage part and I'd like to know about it.

ANSWER: Space won't permit a complete explanation but briefly Extended Coverage is the grouping of a number of insurance protections that formerly were written separately and adding them to a fire insurance policy. Certain types of explosion, windstorm, hail, aircraft and vehicle damage are covered in addition to others. The premium is low and you should see a good insurance agent for full details.

## Eaton Asks Clearing Of Tarr Land Title

Attorney Noren Eaton, representing the Tarr Land company, has requested the City to remove the cloud on the title to the Tarr property, Hermosa and Sierra Madre Blvd., which had been offered as a gift to the Sierra Madre Library board of trustees as a site for the proposed new library building.

The property was deeded to the City inasmuch as the Library board of trustees is not technically a legal entity apart from the City. Since announced plans now call for the new library building to be erected on its present site, Eaton points out that the gift was limited to library building use only and asks that the title be cleared.

The letter was referred to the city attorney for legal interpretation and recommendation.

## Scanning the Sportscene

By BOB BROGGER

Well, it finally looks like this town is going baseball crazy!

Mr. Mitchell, with the help of Richard Draeger, and John Davis, have formed a Little League here in Sierra Madre. There are six teams consisting of boys through the ages of 9-12. Their season starts on July 7th, and they'll be playing on two ball fields—Sierra Madre School, and the VFW ball field. We hope to have their schedule in next week's issue.

The Sierra Madre softball team is now tied for first place in the "A" division of the Owl League. Last Friday night they beat the Alchemists 1-0. The team's ace chucker, Gerry Perry, pitched a one-hitter.

Sierra Madre's lone run came in the fourth when Brogger was walked, took second on Pat Lovejoy's sacrifice bunt, and scored on Dick Raphael's single. The next game will be on July 1st. The game will be a little earlier this time, starting at 6:50. Consolidated Engineering will be our opponent.

For you people who don't know where Brookside Park is—well, it's right next to the Rose Bowl. If you don't know where the Rose Bowl is—well, dial 113 (information) on your telephone, and the operator will be glad to tell you.

THIS AND THAT . . . Los Angeles players were more impressed with Jerry's arm than they were with Mel Queen in the recent series at Wrigley Field . . . they have the canyon pool all cleaned up and painted . . . Two morons met. "Gee, I can't sleep at all," complained one. "Why don't you count sheep?" suggested the other. "I can't count sheep," confessed the complaining one. "I'm near-sighted—I have to count elephants."

for three years, Mrs. Imm is survived by her daughters, Mrs. Harold Smith, Sun Valley, Calif.; Mrs. Richard Gragg, Temple City; Mrs. Edwin Christensen, Lake Charles, La.; a son, Lewis Imm, Los Angeles; two sisters, Mrs. Idell Matzke, Lincoln, Neb., and Mrs. Evelyn Snyder, Sacramento, and 12 grandchildren.

## "Christian Science" Sunday Lesson Topic

The knowledge of the glory of God reveals His all-embracing and unchanging love for mankind, declares the Sunday lesson-sermon on "Christian Science" in all Churches of Christ, Scientist.

The golden text is from Isaiah:  
"Awake, awake; put on thy strength, O Zion; put on thy beautiful garments, O Jerusalem, the holy city." (52:1).  
A Bible selection from Habakkuk reads, "The Lord answered me, and said, Write the vision, and make it plain upon tables, that he may run that

wait for it; because it will surely readeth it . . . though it tarry, ly come, it will not tarry. . . . For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea." (2:2, 3, 14).

Mary Baker Eddy writes in the Christian Science textbook, "Science and Health with Key to the Scriptures": "The proof that the system stated in this book is Christianly scientific resides in the good this system accomplishes, for it cures on a divine demonstrable principle which all may understand." (p. 546).

## Police Officers Save Baby's Life

A local physician and the grateful parents of an 8-week-old baby credited two Sierra Madre police officers with saving the infant's life last Saturday.

The officers were called to the Steven Auld home, 134 W. Highland, where the baby had wedged his head in the corner of his crib and was gasping for breath. Officer M. E. Farr applied artificial respiration while Officer William Mackie went for the department's resuscitator. The baby, David Auld, was restored to normal breathing and color. Dr. M. H. A. Peterson

said if it had not been for the quick action the child probably would not have survived.
